U.S. Probation Officer Action:

Mr. Morrissey was released from the custody of the Burlington County Department of Corrections on January 22, 2024. On January 24, 2024, Mr. Morrissey met with the undersigned for his initial intake meeting and drug screening.

On January 14, 2020, the Probation Office submitted a *Report on Individual Under Supervision*, relative to Mr. Morrissey's request to be approved to use marijuana for medical purposes, as prescribed by his physician. On January 15, 2020, the Court approved this request. After submitting the positive drug screening, as described in Violation #1, Mr. Morrissey stated that he believed that due to the Court's prior approval, marijuana use was permitted. He also relayed that his current medical marijuana card was expired and that he is in the application process for renewal.

The undersigned also addressed Mr. Morrissey's admission to consuming alcohol. Mr. Morrissey stated that consuming alcohol is a part of his religion; however, he is aware of the special condition of supervised release, which states that he must refrain from the use of alcohol and would no longer consume it.

Mr. Morrissey is currently scheduled for a dual-diagnosis treatment assessment at Solstice on February 1, 2024. This assessment will also include psychiatric services and medication management.

At this time, the Probation Office is seeking to notify the Court of Mr. Morrissey's drug and alcohol use, with no other formal action taken at this time. The Probation Office will collaborate with Mr. Morrissey's assigned clinicians at Solstice to work towards his treatment goals and reinforce his sobriety. If Mr. Morrissey deviates from the treatment plan prescribed after his assessment, the Court will be notified.

Respectfully submitted,
